2021 COMMUNITY IMPACT

COMMUNITY PROGRAMS

Milford Miami Ministry offers two basic needs, community assistance programs: A food pantry and an emergency financial assistance program...

Food pantry: Families living in the Milford/Miami Township service area are eligible to visit the food pantry every 14 days. A family of 4 (the average size family seeking assistance) receives about 60 lbs. of food per visit, equal to about 60 meals. In addition to non-perishables (e.g., soap, paper goods), each family receives 1/2 gallon of milk, 1 dozen eggs, a meat item, and bread/baked goods. Families can also receive cleaning and personal care items. Shopping in the 425 square-foot pantry takes about 10-15 minutes.

Emergency financial assistance: Families struggling to pay rent or utilities or buy prescription medicines seek financial assistance to avoid eviction or having essential utilities disconnected. Residents provide documentation of need, such as a disconnect notice from the utility company or notice to leave the premises from their landlord. The amount of assistance is determined by the client's need and funds available at the time of the request.

Milford Miami Ministry also provides clothing via the *Share What You Wear* clothing bank, conducts holiday food and gift drives, and collects book bags and school supplies for children attending the Milford Exempted Village School District.

2021 IMPACT

Food pantry: Provided 90,000 meals to 4,456 families that included 1,711 children. An average of 119 families were assisted each month throughout 2021.
